Cult model Maggie Rizer's ears are ringing for Louis Vuitton
"When I first saw these earrings I just thought, 'YES! I'd wear them with a white tank, tight jeans and stilettos. Can jewellery be sexy as well as beautiful? Absolutely. But my philosophy is not to overdo accessories. I'm a jewellery minimalist. Too much of a good thing is too much! We made history at Nicolas Ghesquière's first show this season. He brings young, modern classic style to Vuitton – as well as unmatched talent."

Trip the plastic fantastic

Avant-bland fanatic Jo-Ann Furniss slips into Miu Miu's plastic boots
"With Miu Miu there's always a sense of humour there. Mrs Prada wouldn't tell people to wear anything that she wouldn't wear – she's 65 but she's one of the most stylish women in the world. Wear them at a bus stop, wear them in the rain, or wear them on scaffolding so your surroundings match the heel. Just wear them like a pair of wellies for your own perverse personal pleasure. I like avant-bland! These boots are fantastic and aren't totally serious."
