Green
HAPPINESS

This hue puts you and others in a good mood, according to research from the Vrije Universiteit in Amsterdam. Green's pleasurable vibe stems from its connection to nature. "It instantly brings about feelings of peace and contentment," says Leatrice Eiseman, executive director of the Pantone Color Institute and author of the book *More Alive with Color*.

Black
AUTHORITY

The preferred shade of fashionistas, cops, and CEOs, black is the universal color of authority, says Calisch. Studies show that donning the dark color can make other people perceive you as more powerful and competent. "If you want to take the edge off, choose something with a bit of embellishment, like lace or ruffles," suggests Lupu.

Easy street

Make a white dress in a relaxed shape your weekend uniform rather than jeans—you'll be much cooler, in both senses of the word! Throw on a neutral belt and shoes for day; shift to bright colors or metallic accessories (very in right now) for a night on the town. Dress, Ralph Lauren Black Label, \$355. Bralette, Only Hearts by Helena Stuart, \$48. Sunglasses, Ray-Ban, \$140. Belt, Motif 56, \$145. Shoes, Repetto, \$305. Bag, Mulberry, \$1,175. Braçolet, Kenneth Jay Lane, \$120.

Fashion director, Eyan Metzner

Lasting hurrah

The whites you buy now are more than fair-weather wear. Blouses will function later as layers; statement pieces can be paired with black. (Trend alert! That color combo will be big in fall.) A good rule for year-round whites, such as a leather skirt: Choose creamy tones, which are less summery. Top, Express, \$20. Skirt, Chanel, \$5,965. Hat, Lola Hats, \$290. Necklace, Wendy Mink Jewelry, \$158. Bag, Straw Studios Collection, \$120.

Hair, Kevin Woon for Woon NY; makeup, Rebecca Alexander for Dior Beauty. Photographed in San Miguel de Allende, Mexico. See Get-It Guide.
