BOLD TEXTURE

Look beyond denim and flannel as primary expressions of the more rugged or masculine aspects of fashion. An assortment of rich, grainy textiles will serve just as well, offering an unmistakably luxurious feel that is still altogether earthy. Opt for natural materials including cotton, wool, mohair, alpaca and bamboo for utility and style.

Meanderthal

The thrill of adventure sets him on a journey to far-off places, his rugged demeanor a memento of his travels. His wardrobe is rich and sensuous, setting him apart from the average caveman

LOOSE SILHOUETTE

Veer away from the heavily constructed or ultra-fitted feel in favour of a more relaxed and leisurely shape. Loose and high-waisted trousers are key components to achieving this aim. Some formal pleating in the front certainly elevates this look, whereas layering or accessorising - though certainly fulfilling a function - mostly adds attitude and an element of rugged playfulness.
