OLUBIYI THOMAS

With zero-waste production at the heart of his design process, Olubiyi Thomas transforms antique and deadstock materials from across Britain, India, Japan and West Africa into contemporary pieces that pay homage to the codes of historical dress. "Reimagining the links between traditional British men's tailoring and African cultural history," Thomas explains, his artisanal aesthetic is determined to "deconstruct and reform ideas of what it means to be wholly contemporary men or women." Deeply considered design with an elegant ease: Olubiyi Thomas is certainly one to watch.

Jacquard jacket, £1,188. Reversible halterneck top, £375. Crinkled-cotton trousers, £567. All Olubiyi Thomas. Velvet hat, in order. Philip Treacy. Shoes, as before.
